My pleasure! I've also been known to camp outside offices/cubes to force responses. ;)

Many thanks,

Raquel Snyder

Subject: RE: Chemical Safety Legislation

Hi Nichole,

OSWER/OEM are looking at it now and they are aware a call must happen today. No more details yet, but I asked again that they provide an ETA or at least ball park a time for this afternoon. I will let you know as soon as I hear.

Many thanks,

Raquel Snyder

Thanks Jason. We're on it.

Carolyn Levine and Raquel Snyder are leading the charge on this one.
